

MEETING MINUTES

FAME Image and Pipeline Meeting, Silgan Container, Lyons

Hosted by: Rick Murphy

5/16/14.

1. Introductions and review of minutes (ER)
2. Review of Skills USA Middle School Day at Tech Centers (JB)

Question about how students get selected

Number of students

Historical length and duration (Boronkay will follow up and make sure new K-12 Director Erin Fairben knows the committee looks upon this outreach to middle level students as favorable)

3. Student membership Committee: Tabled until September

4. FAME Video (All)

At the final stages of editing

Seeking additional interviews

Video being produced by a WEMOCO student

Looking at a fall 2014 roll out

Next step is executive committee approval

5. Speakers Bureau (All)

Earnings Options in Manufacturing

School Boards and Students as audience

The challenge will be establishing a speaker's bureau pool

Start with FAME Companies

Charge: How do we educate academic leaders who have a limited concept of work outside the schoolhouse?

How is the region's lack of skilled labor going to affect people in their communities?

6. Letter from FAME to the Superintendents

Suggestion to address the letter in a general fashion so it can work for BOE, Community, School leaders

7. H1B Grant

One-year certificate programs are operational at GCC and MCC.

Goal is to have 100 currently unemployed students complete by August

Need to move CTE students right to these programs- distribute promotional material to CTE students in the manufacturing and transportation clusters

Some may be able to use this pathway to complete college credit-bearing programs

8. Schools Update

MCC Stem Competitions (RL). Will need a sponsor next year. Job Fairs well attended.

FLCC/TCTI Certificate program under study. Looking for a 12/14 launch

FLCC Applied Tech (SS) adding new modules in Hydraulics and Pneumatics

9. Silgan PowerPoint (RM)

Awesome slides describing the closure industry and the National diversity of the company

Next meeting to be held on Friday, June 27. Location is TBD

Respectfully Submitted, John Boronkay
