## ***Invitation to attend***

FAME and Monroe Community College (MCC) are pleased to offer a second regional Industry/Academia Roundtable event on March 16<sup>th</sup> in the Warshof Conference Center, Monroe B, from 8:30-10:30AM. The Roundtable will be facilitated by Bruce Peters of WCEOHQ Radio.

By way of introduction, the U.S. Government passed legislation earlier this year to fund \$500 million per year for four years to stimulate employment and training through collaborative efforts between community colleges and industry consortiums. This Roundtable represents an opportunity to identify issues and priorities that, by working together, may provide a stimulus source and improve the pipeline for Finger Lakes region employment, training and education.

Please join us at this important meeting to provide insight and perspectives that can benefit your business or academic pursuits. Contact Michele Stolberg at FAME, email: [fame@nyfame.org](mailto:fame@nyfame.org) for reservations to attend and a campus parking permit for the event. Refreshments will be served, and networking will be available after the event.

### **Directions to MCC:**

The Warshof Conference Center is located in the R. Thomas Flynn Campus Center on MCC's E. Henrietta Road (Brighton) campus. Parking will be provided via permit. The R. Thomas Flynn Campus Center is building #3 on the map located at the following link: <http://www.monroecc.edu/depts/webmaps/BrightonCampusMap-forprinting.pdf> Follow Campus Drive all the way around to the rear of the campus, then turn in at Center Road.
