The meeting was called to order at 8:35. Introductions were done and the minutes from the previous meeting were reviewed.

John Boronkay commented on a meeting in regards to the CDOS. He added input on what WFL BOCES - is doing in response.

SAME - Funding is secured for the program in Monroe County. We still need to secure funding for Wayne/Ontario. John Boronkay will help to find funding for it. Eileen Rucinski brought up T-Shirt design and how to use the T-Shirts for advertising to gain funding. Bill Rotenberg mentioned possibly having the SAME program done at the Flint Campus and asking for Funding. John, Eileen, Karen and Bill will meet to strategize how to gain funding.

Sub Committee updates

Bob, Jeannine and Eileen are working on the completing the Turnkey presentation. The plan is to present it to the FAME Executive Committee for approval. A Speaker Bureau will need to be developed. Ideally it should be made up of member businesses and pipeline members. Sandy Hoodak volunteered to be part of it if we need education to be represented. Bill said that we should solicit Bob Bechtold for the Speaker's Bureau

Bill Rotenberg asked about MCC project led by Ross Micali. He suggested that it would be good to link to FAME web site.

Dan Gersbach said that FLCC did a video at GW Lisk about their joint program.

John Bornokay mentioned that he attended Project Lead the Way.

Sam Samanta - Letters to the superintendents are close to being done.

NY FAME Twitter account – John Stele from HTR is managing it.

T-Shirts contest – Deadline will be 2/1/14. Students will design the front. The back will be used for advertising. There was a discussion on how to get the word out. Sandy, Pat and Peter will work on a list.

STEM Conference Update-

It was held on October 25th. Bill reported that the tours and conference was well attended. Sam asked how do we better align STEM HUB initiatives with FAME. He has a copy of his presentation that he will send out to the group.

Keith Rotach provided background on his class. He said the biggest problem is finding internships for students. John referenced Project Lead the Way.

Sandy Hoodak discussed the document that was presented to the Commissioner and Board of Regents.

Bill Rotenberg mentioned that the CTE will be sponsoring an event on February 27th at Woodcliff.

Spencerport Alternative HS/BOCES II is looking for industry representative to speak to the seniors.

Superintendents would like to meet at area business to gain exposure
(action item – contact Monroe county businesses.)

CTE AdHoc Committee needs to be formed
