Drawing at the event.

## MCC High-Tech Exploration Night

Find out about careers in Rochester's high-tech companies and the skills you need to get them.

- Talk with technical staff from Rochester's leading high-tech companies.
- Learn about high-paying careers in high-tech manufacturing, electronics, mechanical engineering, computer technology and optics (optical systems technology and optical fabrication).
- Explore MCC's innovative engineering and technology programs.
- Take a tour of MCC's tech labs and facilities.

We'll give you driving and parking directions  
when you register or visit [www.monroecc.edu/go/maps](http://www.monroecc.edu/go/maps)  
585.292.2200 | [www.monroecc.edu](http://www.monroecc.edu)
