

Pipeline meeting- June 15, 2012

Attendees: Eileen Rucinski, Marisa Pennetta, Jeanine Gallina, Jeff Dillon, Bill Rotenberg, Dan Gersbach, Stacy Kelly, Karen Springmeier, Susan VanAcker, Pete Boldt, Pete Boldt, Jeannie Brockmyre, Matt Graney

Internships/Explorers

Eileen Rucinski will be sending an e-mail to companies to see how many interns they have.

There will be a summer camp held at ITT. Students will participate in a "Rocket Building" project from June 27th-29th. 21 students are involved in this course

Grant Status-

Bill Rotenberg is targeting 75 people this year to attend community colleges through the grant funding program

Tours-

Essays are being reviewed. There will be one winner per school; winners will be presented in the fall. *We should have a press release sent to the Wayne County Life once winners are chosen.*

Other-

Wayne Tech & Career Center- combined 10 week welding and 10 week machining course due to low enrollment. Only one teacher could be kept for each course.

GW Lisk- 24 people interviewed for 16 spots available in the next six month training course, starting in August.

Summer Program was filled with 15 students, and starts July 9th. *Press Release for FAME should also be done on this initiative*

Marisa Pennetta will be hosting some type of "Career Clusters" fairs in the fall (Tentative September 25th date). Clusters of industries will be available to speak with students about careers in their field.

Eileen Rucinski to touch base with her point of contact regarding summer fairs. Do we want to have a presence at the Wayne County Fair or other fairs?

Next meeting- AUGUST 24th at 8:30am at Optimax.

6367 Dean Parkway

Ontario, NY 14519
