

## Winter 2019 FAME eNews

### FAME's 2019 Annual Event Will Focus on Apprenticeships!

#### **Regional Apprenticeships – A School to Career Connection**

*Featuring Mr. Brent Parton, Deputy Director of the Center on Education & Skills with the Education Policy program at New America*

**April 30, 2019 - 4:00-6:30PM**  
**Monroe Community College, R. Thomas Flynn**  
**Campus Center**  
**Monroe A & B**

The Finger Lakes Advanced Manufacturers' Enterprise is pleased to present our 2019 annual event Keynote, **Mr. Brent Parton from the Center on Education & Skills with the Education Policy program at New America!** The Center is dedicated to building learning-based pathways to economic opportunity that can begin inside or outside of formal higher education. His work focuses on federal and state policies to scale those pathways, and ensure their quality and relevance within an evolving economy.

Parton is leading New America's [Partnership to Advance Youth Apprenticeship \(PAYA\)](#). PAYA is a multi-year initiative that will support efforts in states and cities to expand access to high-quality apprenticeship opportunities for high school age youth by:

- Improving public awareness of high-quality youth apprenticeship programs and advancing understanding of how well such programs serve students, employers, and communities.

- Disseminating better information about the conditions and strategies necessary for success and sustainability of youth apprenticeship partnerships.
- Supporting more high-quality, scalable youth apprenticeship partnerships that better serve participating employers, students, and communities.

Thank you to our event sponsors!

## Update from Bonnie Lindsay, FAME's Math and Science Partnership Coordinator

I am currently working with districts and advanced manufacturers to coordinate professional development opportunities for six school districts in our region. Newark, Dundee, Sodus, Geneva, Waterloo and Lyons are all recipients of the FAME Math/Science Partnership Grant. The school districts and advanced manufacturers are excited about the opportunity to learn from each other. I have greatly appreciated the time that everyone involved in the grant has spent helping me make connections between businesses and schools!

To contact Bonnie, please click [HERE](#) for her email address.

## Welcome new FAME members!

**Environmental**  
**Systems, Inc.**

## Next FAME Pipeline/Hiring & Training Committee Meeting is coming up on April 11, 2019

The next meeting of FAME's Pipeline and Hiring & Training Committees will be held on **April 11, 2019 from 8:30-10:30AM** at Wayne Technical & Career Center 4440 Ridge Rd, Williamson, NY. To attend, please contact Michele at FAME, email: [fame@nyfame.org](mailto:fame@nyfame.org)

## NYSERDA Funding Available for Clean Energy Interns

NYSERDA has recently announced the availability of funding for clean energy businesses interested in hiring interns to perform meaningful work in the clean energy sector. Under this solicitation, [NYSERDA PON 4000](#), both clean energy business and interns apply to participate in the program. NYSERDA will collect applications from both the businesses and potential interns and verify eligibility to participate in the program. Accepted businesses will select, interview and make an offer to intern candidates.

For complete information, please click [HERE](#).
